PUBLISHED WEEKLY

MURRAY VIES WITH WESTERN SAT. EVENING

Local Hoop Contest To
Headline State Attrac-
tions

Western's gymnasium is to be the scene of the state's headline basketball attraction of the week when the Hilltoppers clash with Murray Saturday night in a test, that should be the most interesting played on the local hardwood this season . . . maybe not the best, but certainly the most interesting.

As Western-Murray meetings in any sport are always for blood, both teams will be striving to give a top performance. The winner of the tilt, if the margin is decisive, will be in the favorite position to capture the KMAC and SIAA crowns, as the two teams appear to be the class of the conferences.

Western has dropped one game in eight collegiate starts, while Murray is undefeated in four games. Neither team has yet made an appearance against a KMAC foe, and Saturday's tussle with Western will be the Thoroughbreds' initial

Western Downs U. of L. In 62-42 Contest

Western successfully opened its K. I. A. C. hoop campaign last night with a 62-42 triumph at the expense of University of Louisville at Louisville in an unusually rough game, the outcome of which was not doubtful after the first few minutes of play. With Saddler, Dudgeon, and Walters sweeping the nets for fifteen, thirteen, and twelve markers respectively, Western exhibited beautiful teamwork and marksmanship in commanding a 13-2 early-game lead and a 33-19 half-time advantage. "Red" McCrocklin and Si Monen were banished from the struggle as the result of pugnacious performances.

PLANS COMPLETE FOR ALPHA SIGMA HOP FRIDAY NITE

Advance ticket sale for the Bowling Green Business University Alpha Sigma dance to be held Friday night at the armory got under way Monday and will continue through Friday until 6 o'clock. Ducats have been going at a rapid clip since the sale began and indications point to a large attendance.

Vince Genovese and his all-star orchestra is to furnish the music in response to popular demand. Vince and his orchestra, who played for the Alpha Sigma fall dance in October, comes here from the Chase Hotel in St. Louis; Arcadia Ballroom in St. Louis; Irvin Cobb Hotel in Paducah, and Casino Ballroom in Memphis.

Tickets may be purchased from members of the Alpha Sigma fraternity at the Business University or from "Smoke" Nelson, Willard Day, or Howard Oggles at Western.

B. U. EXPECTS 1,000 PUPILS TO REGISTER

Extra Teacher Hired As
Heavy Spring Enrollment
Is Eyed

Enrollment at the Bowling Green Business University and College of Commerce is expected to exceed the 1,000 mark when the initial classes of the second semester get under way sometime next week. Registration is to get in full swing Monday and continue through Tuesday. It is probable that all students with the exception of a few late-comers will be classified by the close of the day Tuesday and that classes will convene Wednesday.

The enrollment increase has necessitated the employing of another instructor in the college department. Mrs. Margaret Burgess King of Nashville, has been engaged to conduct classes in education and social sciences. Under the present set-up, Mrs. King will teach American Government, Business Correspondence, Extra-curricular activities, American History I, Classroom Management and Con-

Miss Nancy Matthews, president of the club, announced that the Red and Grey Orchestra would furnish the music. This is the fifth annual President's Birthday Ball to be held here. Hours are from 10 until 2.

PLOT IN CEMETERY IS SELECTED FOR GRAVE OF LATE EDUCATOR

A triangular plot in Fairview Cemetery almost exactly opposite the Confederate Monument is to be reported at the Common Council meeting this week at City Hall as the site selected for the burial of the late Dr. H. H. Cherry.

The city is to donate the reserve space for the burial of the noted educator, whose body now lies temporarily in Ogden vault in Fairview.

Members of the Council committee appointed to select the site said today the plot probably will be designate for two graves, the second for the widow of the late Dr. Cherry.

He passed his competitive examinations with first honors. Mr. Ragland will go to Fort Benjamin Harrison for physical examination on March 1 and will go to West Point July 1. He is a member of the R. O. T. C. at Western Teachers College.

GARLIC AND ROSES

Flash—It's out. What's out? Why haven't you heard—Tony Mastreleo, the tuba tooter, was kicked out of kindergarten for not shaving and so to college. And that name is not something you eat.

Tips on how to start the new semester. Don't register for English (Jane), the class is full. Goodloe has the entire space. However, there is more than one freshman English, the other being Ann.

Some of this year's crop of

freshmen will surely fall as safe crackers as they haven't as yet learned how to open the combination locks on their lockers. Ralph Sherwsbury is a horrible example.

News—Not man bites dog but student sells subscription to Students Weekly. That supercilious Ira Ray did it. We didn't know that there were any left. Might take that as a tip on working your way through college. Another good way is gigging, for further infor-

mation ask Larry David and Clayburn Walton.

Caught red-handed—Bill Robinson and "Stinky" Clark have departed from being horse thieves and taken up automobile stealing. And they had to pick the cream of the crop (of 1913) none other than Frank McQuery's camouflaged Ford. But on their way to freedom down the hill they were

By "EDDIE"

Well, well, I guess we got beat by a few points by Munfordville. Better luck next time, boys.

The High School boys just can't rate with Juleen Wilson. But a certain college guy can and it being a saxophone player in the Red and Gray Orchestra. No wonder she enjoyed the chapel program last Wednesday morning. Nice go, Wilson.

I wonder why Duggy Putman and Georgianna McEley are strolling up toward the junior home room for? It wouldn't be to see the Apple Polisher Bobby Briggs, could it girls? Bobby, remember they are eighth graders, and if you don't be careful they will call you a "cradle robber."

I believe we've got something here—Red Oliver escorting a girl (blonde) home and then going back to the "Cave" College Inn and escorting a certain brunette home Saturday night. Red do you change your mind that quick?

Well, well, Nick Barrone fell head over heels in love with a certain little sophomore girl in High School. Say, Nick do you change your mind as quick as from a green dress to a green coat?

Fan my brow, can you imagine Eleanor Robertson's heart broken over Barber Parker coming between her and J. S. Cole. Now we're wondering if you wouldn't want that photo now, would you Eleanor?

Well, it looks as if R. H. Richardson is doing "GOOD" by the "Big Moment" he was with last Thursday night. You really did do a shift, kid, from a blonde to a brunette.

Red McCracken has "Eddie" puzzled by the girl he was with

Saturday night. Now, Red, is that the little Princeton girl who plays that big part in your life?

Gangway, Crash! Crash! Boom! Boom! Gee! Did you see Bob Briggs, Charles Morgan, Dorothy Carter, and Martha Hale Cooksey at the show Sunday P. M.? Now kiddies, you can guess who Bob Briggs was with, the one he corresponded with while he was in Chicago—no other than Dorothy Carter. And of course it fell Charley's lot to be with Cooksey—but wasn't it better to be with Cooksey than to be with a girl who will seldom give you a date Briggs?

Count me out! Now was "Mickey" Smith rating last Sunday night with that B. U. girl, Terry Willis? Now we're wondering where Helen Powell comes in the picture, Mickey, or has she played her last scene?

Well, don't look but I think we've got something here (I know)—Batsil you know, this He-M-a-n? Well, kiddies, it seems as if he has him a calico at Paducah by the way he writes her every day and goes down every week-end.

Toot! Toot! Calling curb service! Calling curb service seems to have been what Harry Sadler was saying last Sunday night in his pajamas on second floor porch. Now, can you guess what was his big order? Nothing more and nothing less than the big "Apple." Now, Harry, you know an apple a day will keep the doctor away, but I don't know about this 9 o'clock stuff, for it kinder looks as if you are wanting to be an apple polisher, how about it Sadler, come on and tell us all about it?

We are wondering who the short, red head was who called George Knouer up Sunday night. Now we fear Carl, George's older brother is losing out on this calling up business, but gee, wasn't it swell in the kid to compliment his voice. There's a chance Knouer and we're

Mr. Cannon discussed the aims and ideals of Kiwanis and briefly outlined what a good Kiwanian should be.

Dr. L. Y. Lancaster of the Teachers College recently elected president of the local club, presided over his first regular meeting, and Mr. Cannon was introduced by Lee Francis Jones, Western faculty member who is chairman of the Kiwanis program committee.

W. J. Craig of the Teachers College and J. T. Meadows of Nashville were guests.

What's the big idea of Paul Garrot and Joe Covington flocking to Mildred Curd at the 9 o'clock period. Oh, yea, what's the center of attraction, kiddies?

PROFESSOR BENNY GOODMAN REPEATS HIS COURSE IN SWING-LOGY FOR THE SECOND SEMESTER!

"GIVE!" signals Goodman. And Drummer Gene Krupa "takes it." The famed quartette, which steams out "killer-dillers" on the Camel Caravan, consists of: Goodman on the "agony pipe" (clarinet)—Gene Krupa on the "suitcase" (drums)—Teddy Wilson on the "moth box" (piano), and Lionel Hampton on the vibrophone.

BENNY'S "IN THE GROOVE!" Here's the "King of Swing"—Professor Benny Goodman—"kicking out." They "go to town" every Tuesday night. First on the double-feature Camel Caravan comes "Jack Oakie College." Then Benny Goodman's "Swing School." Time—9:30 pm to 10:30 pm E.S.T., over WABC-CBS.

"PUSHERS" getting in a few "licks" (short, original improvisations) on their "gobble-pipes" (saxophones). Benny Goodman and his Swing Band won the title of the most popular band in the country. You just haven't heard "SWING" until you hear Camel's Professor of Swing-ology—Benny Goodman—burn up the ether.

EVERY TUESDAY NIGHT

Radio's big double-feature program, the Camel Caravan—60 fast minutes of fun, frolic, and fanfare. 9:30 pm E.S.T., 8:30 pm C.S.T., 7:30 pm M.S.T., 6:30 pm P.S.T.—WABC-CBS.

"JACK OAKIE COLLEGE"—

The big Camel Caravan leads off with Jack Oakie and his goofy collegians, broadcast direct from Hollywood. All-star cast includes funny-man "Stu" Erwin. Hear "Honest Jack" Oakie—"The Prez"—running a college. You'll never forget it!

2 GREAT SHOWS IN ONE HOUR

By the Prowler

Where was Bill Koven to say that he is glad that he ran out of gas when he did rather than where he was just before that. He ran out at a local hill-top hang-out. We wonder where Malcolm Jones was if Elizabeth Gillette was there. Jones should of been there to of gone after some gas.

This boy Snodgrass is the best when it comes to courting. He and you guess who were out in the

yard behind the school the other day and she was getting out something in Walker's ear. We hope that he got whatever it was in his ear, out. Someone yelled at them and they stopped for at least two minutes, but were soon back at it again.

We wonder if anything serious is developing between Bill Heaslet and Anna Lee Haynes. They have been seeing quite a lot of each other here of late. Don't forget what happened the last time Bill.

"Hang-up" Chamberlain was seen in a local hangout the other day with a crowd of women as usual. We wonder what it is that he has that we haven't. He was running around Friday with a carton of cigarettes in his pocket and when asked why he said that he was always running into a bunch of girls and therefore was forced to carry a good supply on hand. We wonder what he will start carrying next.

We hear from a very reliable source that our boy Trigg did not go to Guthrie to see his Grannie last week-end, but did go to Guthrie to see some girl.

We wonder if Tatum who is seen with Maxine French quite a bit lately is losing his hold on her as she was seen in a local hangout over the week-end with someone else—Julius Spry, by name.

Martha Metcalf and Eloise Thomas played their way out of a boarding house not long ago. Radios do get people in trouble sometimes don't they.

Rodney King was seen sitting in the Inn with three young ladies Friday night and later leave with two of them. Did he have a date with both of them or was he just escorting them home? We wonder?

Kitty Richardson seems to be doing quite well with Ira Ray as they are most always together. Maybe things are getting serious. We wonder what has happened to Kitty's young man at Annapolis. Why were Kitty and Bill MacElroy playing hands the other day and Bill telling her that he was reading her hand and at this time Ira was really enjoying this.

Did Fred Weston's episode with his cigar have anything to do with Caroline Kahn? Or did it? Jewell was along too. We wonder how he and Tyne are getting along.

I do believe that Bill Norton has turned chicken for he refused to get up before a class the other day and make a talk. What is the matter Bill? Did you get cold feet or have you suddenly become bashful. We want to know what happened to you and Bobby that caused you to have a date with Marie Ball.

Well Cooked Dressing

As you would expect, the cook employed by the best dressed woman in the world, Mrs. Harrison Williams, was among the best-dressed women at the butler's ball, the year's big event in New York's "backstairs society." Here she is, Irma Jentch, pictured as she waited in the lounge for her escort.

belong to? He attends both the Big Fours and the Corecoes. Could he be after some news?

Well, now ain't this something? Fred Weston and Ralph Coburn both come into chapel and go to sit down and don't you know that they bumped into each other trying to sit down by Natalie Clark. Now ain't she the one.

Milton Rames and Marguerette Martin seem to be hitting it off pretty well we notice and we wonder how long it will remain.

What has happened to Martha Crafton and Tommie Givens? She used to be with him quite often and the other day Tommie walked in a certain place and Martha spoke to everyone but him and how did he feel. It is also said that he is getting homesick for his girl at home.

"Slick" Gregory brings Tee Donnelly down this way every now and then and the other afternoon they were sitting in a certain place and he decided to play these numbers, namely: I'm glad for your sake, Sweet Stranger, I'm getting Sentimental over you, and This is a true confession. Now could he of meant all of this.

Helen Goin has got a bone to pick with Forest Randolf. We wonder what it could be.

Who is it that Frankie Brannon is going to the dance with? Someone asked Forest and he said no, but that he thought that Fred was. Well, we will find out at the dance.

How about Cobbell raising a mustache we wonder if he has anything in mind.

Special from Trigg: Sleepy through one all doing the week-end.

You all had better remember that this is a rare week-end. We hope that every thing comes out alright.

Charlie Stahl is back once more for a week and will probably be dating every freshman that is available so freshmen this is warning to you.

America Speaks—It is reported that the Alpha Sig struggle will reach a new high . . . I'll see all of you lads and lassies, as Ben Bernie would say, at the gala turn-out.

Goodbye now.

BLAZING OIL WELL IS 'TURNED OFF' BY DARING FIGHTERS

Trio Crawls Into Pit To Cut
Off Valve As Firemen
Stand By

KILGORE, Tex., Jan. 19 — Three wild well fighters crawled into the pit of a blazing oil well here early today and cut off the flow of oil after firemen had smothered the fire temporarily with chemicals.

The flames died almost immediately after the men turned the check valve.

T. B. Wraith, of the Overton Refining Co., owners of the well, said the company's loss would exceed \$50,000. An additional \$100,000 damage was reported when a warehouse was fired.

Firemen and oil workers from six East Texas cities fought the blaze almost 12 hours after it blew in unexpectedly and was ignited from a nearby laundry boiler.

The town's 15,000 population was swelled by some 10,000 sightseers. A Negro, slightly burned, was the only person reported injured.

PI TAU NU CLAN PLANS ELECTION OF OFFICERS

The audience gave a special vote of thanks to Mrs. K. B. Posey for having secured the services of the musicians.

INJURIES PROVE FATAL TO STUDENT'S BROTHER

M. B. Wakefield, Jr., 14-year-old brother of Ruth Wakefield, student at the Bowling Green Business University, died Monday at his home at Pembroke, near Hopkinsville, as the result of injuries he suffered a few days ago when struck by an automobile, according to an Associated Press dispatch Wednesday from Hopkinsville.

Miss Wakefield left here Tuesday afternoon for Pembroke to be at her brother's bedside. She enrolled at the Business University in September for a college executive secretarial course and resides here at 1225 State street.

CLUB HEARS SOLOIST

HE SELLS TOBACCO TO THEM ALL

But Branch Bobbitt, like so many other independent experts, prefers Luckies...

"AT AUCTIONS in my warehouse in Farmville, North Carolina," says Mr. Branch Bobbitt, "the higher the tobacco sells for, the better my profits. So I'm always glad to see Lucky Strike buyers in there bidding. They know what they want and they'll keep bidding right up until they get it."

"Well—in a cigarette—it's the tobacco that counts. I know tobacco and I know *what* tobacco is in *what* cigarettes. So that's one

reason I've smoked Luckies for 5 or 6 years."

Mr. Bobbitt represents the "aristocracy" of tobacco experts. He judges the tobacco that the growers grow. He's impartial, not connected with any cigarette manufacturer.

Many other experts agree with Mr. Bobbitt. Sworn records show that, among independent tobacco experts, Luckies have twice as many exclusive smokers as have all the other cigarettes combined.

"THRU THE KEYHOLE"
By PEEPIN'

The big write-up this week goes to Thelma Guffy, our former Peepin. Maybe those who would like to get even with her have a chance now. She has been left out of the dirt but if you haven't heard her main attraction is a boy from the B. U. He is leaving for home Friday so what will we do Thelma?!

Who are the two girls that were doubtful about their dates after the Sub-Deb meeting the other night? Are you still in love "Jerry?"

John Logan went by for Laura Barton Dent Sunday night but of course Billy Batson was on the scene. Better luck next time Laura Barton.

Alton Brizendine, you have kept us guessing who your girl friends are long enough so why not tell us and quit keeping all the girls in suspense.

Tommy Wilson seems to have stepped forward with another B. U.

girl but this time it is Mary Oliver instead of Cordelia Amos.

Paul Deemer seems so much in love with Martine Hartig he can hardly study in the library. I always did know love was grand.

We wonder why Gwendolyn Grey and Jack Graham were so scared Sunday night. Was it her Daddy or a ghost?

Billy Mahoney was late a lot last quarter, but after buying a clock he broke the face off of at Venable Drug Store he will surely be on time now.

Usually the cops follow you but it seems Gerdline Shultz followed them Saturday night. How about this Gerdline?

Isn't this world awful! "Pudden" we're all sure that Neal Garrison would have loved to have your company the times he asked you for dates but don't worry, things will be better, maybe. I am betting on you cause Neal is my friend!

RETIRED SCHOOL BONDS BURNED BY EDUCATION BOARD

Retired bonds totaling \$20,000 on the \$100,000 Bowling Green Senior High School issue were burned at a meeting of the City Board of Education Friday night at the College Street School, and an announcement was made by Secretary W. W. Williams of the retirement in August of \$15,000 in bonds on the Bowling Green Junior High building.

Retirement of the bonds on the Senior High building leaves \$40,000 as the outstanding indebtedness on the building, while the retirement of the Junior High School building bonds in August will leave a \$60,000 indebtedness against that building. The latter issue, which was originally \$90,000, also includes a gymnasium and auditorium at the State Street Negro High School.

Committees appointed at the reorganization of the new board Friday night follow: finance, Hubert Mason and Frank Cole; building and grounds, Roy Phillips and Roy Claypool; salaries, Frank Cole and Hubert Mason; and supplies, Roy Claypool and Roy Phillips, with the first named as chairman.

Birthday Party Given
Friday For Kenneth Haas

The hours were from 3:30 until 5:30 and were spent in playing various games. Five prizes were awarded.

At the conclusion of the afternoon, refreshments were served from the dining room table which was centered by a white birthday cake decorated in green, with ten green candles.

The honoree received many nice gifts.

Those present were Carl Barnes, Robert Coleman, George Hanks, O. V. Clark, Jr., Charles Bryant, Tommy Spalding, Ford Wand, William Allen, Layton Harris, Ryland Garrett, Neal Hudgens, Morris Hardwick, Charles Parrish, Billy Townes, Horace Speck, LeRoy Conner, Raymond Hoofnel, Noel Haas and Kenneth Haas.

Murray, Still Undefeated, Meets Western Saturday; Eastern Is Leading KIAC

Murray State, slated to undergo its first KIAC test, this week, continued to lead Kentucky college quintets today with a record of four victories without a reversal against general collegiate opposition, while Eastern stepped to the fore in the KIAC.

Murray's Kentucky Conference debut will find the Thoroughbreds pitted against Western State, also untested in the KIAC, at Bowling Green Saturday. Murray will warm up for this match by meeting Delta State Thursday at Murray. Western will plunge into KIAC competition Wednesday, facing Louisville at Louisville.

Eastern, pacing the KIAC with four wins and one loss, will invade Berea tonight for a clash with the conference bottom-ranger. On Saturday Eastern will take on the second-ranking KIAC contender, Kentucky Wesleyan, at Richmond. Berea will meet Morehead at Morehead Saturday.

Wesleyan will go against Centre at Danville tomorrow night while Georgetown is taking on Alfred Holbrook at Manchester, O. Georgetown will return home to engage Union College Thursday night.

The University of Kentucky, its road trip ended, will grapple with Tennessee at Lexington in a Southeastern Conference match Saturday. Centre will be pitted against Lindsay Wilson the same night.

In last week's heavy card, Murray, Western and Wesleyan each won two games for a clean sweep; Transylvania, Centre and Eastern each won two out of three; Kentucky lost two and Georgetown broke even in two games; Morehead and Union each dropped two out of three; and Louisville and Berea both registered two losses against no wins.

The standing of all Kentucky teams against all collegiate competition:

45 Believed Dead In Fire

ST. HYACINTHE, Que., Jan. 19 —Forty-five teachers and pupils were reported dead or missing by Sacred Heart College authorities yesterday after fire destroyed the college building.

Seventeen were known dead and 28 were unaccounted for. In addition, 21 were injured, some of them seriously.

There was no indication exactly how many students and teachers perished when flames engulfed the four story structure yesterday. Provincial police said the bodies of some of those missing might be found in ruins of the building, but that others might have found shelter in farmhouses near the college.

THE PRESIDENT'S STATEMENT

ANNOUNCING THE NATIONAL
FOUNDATION FOR INFANTILE PARALYSIS

The general purpose of the new foundation will be to lead, direct, and unify the fight on every phase of this sickness. It will make every effort to ensure that every responsible research agency in this country is adequately financed to carry on investigations into the cause of infantile paralysis and the methods by which it may be prevented. It will endeavor to eliminate much of the needless after-effect of this disease—wreckage caused by the failure to make early and accurate diagnosis of its presence.

The new foundation will carry on a broad-gauged educational campaign, prepared under expert medical supervision, and this will be placed within the reach of the doctors and the hospitals of the country.

And then there is also the tremendous problem as to what is to be done with those hundreds of thousands already ruined by the after-effects of this affliction. To investigate, to study, to develop every medical possibility of enabling those so afflicted to become economically independent in their local communities will be one of the chief aims of the new foundation.

DENIES SNAKES

AFTER WEDDING

Reports Had Stated Pair Wed
With Snakes Entwined
Around Necks

WEST PALM BEACH, Fla., Jan. 19 — Mrs. Joseph Sam Brantley said today "there were no snakes" connected with her wedding in Tampa last night.

Mrs. Brantley, the former Mrs. Hazel R. Carpenter of West Palm Beach, denied reports that she and Brantley, an Arcadia, Fla., business man, had snakes entwined about their necks at the time of the ceremony.

She said they were married in the home of friends and "perhaps two hours afterward we were inspecting a curio shop connected with the home, when someone brought in a gopher snake. One of the wedding party was scared of it, and I handled it and put it across my shoulders to show it was harmless. That's all there was to it. Yes, they took a picture of us with the snake, but it had nothing to do with the wedding and there was no hateful of snakes, as reported."

start against a state foe, while Western will inaugurate its KIAC schedule earlier in the week when the team travels to Louisville to meet the U. of L. Cardinals Wednesday night.

With Saddler and McCrocklin leading the attack with sixteen and thirteen counters, the Western basketballers had little difficulty in subduing a willing but helpless clan of netmen from Evansville College here last Saturday night by a 44-30 count. The home team was master of the situation throughout and scored at frequent intervals while rationing the visitors to scattered goals.

WESTERN, 40; T. P. I., 23

Taking the lead early in the game, Western never was threatened by a T. P. I. five which finished on the short end of a 40-23 tally last Thursday night at Cookeville, Tenn. Saddler, McCrocklin, and Walters carried away offensive honors for Western with seventeen, thirteen, and ten counters respectively.

John Littel, veteran stage actor, in the role of Dr. Eugene Ford in the Warner Bros. picture, "Back In Circulation" enacts one of the most important parts he has played in his many screen appearances.

Gaining an enviable reputation for his rendition of lengthy speeches in his dynamic portrayal of Patrick Henry in the historical technicolor featurette, "Give Me Liberty" tall, dark, and handsome Littel began to fear that he was doomed to be "typed" in parts that called for lengthy oration.

Demonstrating his versatility, in a characterization remarkable for its persuasive restraint, his voice seldom raised above a whisper in a role of dramatic intensity, the dynamic orator completely submerged Littel's portrayal of this difficult role of a doctor under the shadow of a murder accusation, in "Back In Circulation" is most impressive by its effective reticence. The picture opens at the Capitol Theatre today.

SATURDAY

The man who taught Will Rogers to twirl a rope—Shorty Miller—gave Jane Withers lessons in the art for her role in "Wild and Woolly," new Twentieth Century-Fox comedy opening Saturday at the Capitol Theatre.

Miller, who is one of America's best-known rodeo performers and holder of more than one hundred trophies for his skill in trick roping, taught Rogers at the time the latter was preparing to make his debut in the Follies.

The tricks Miller teaches "Ginger" Jane are highly successful, the little star has found, in brighten-shenanigans.

SUNDAY-MONDAY

Those lusty enemies of Paramount's recent success, "Souls at Sea," lovely Francis Dee and browbeating Prosecutor Porter Hall have another opportunity to show how much they "hate" each other in Frank Lloyd's production, "Wells Fargo," which opens next Sunday at the Capitol Theatre.

In "Wells Fargo," epic of the winning of the West, Mrs. Dee plays the part of the wife of Joel McCrea, a pioneer in the fight to open the trail between the old Country of California and the East, and Hall is cast as the partner of Lloyd Nolan, a pair of Western badmen and highway experts who turn swindling bankers and bitter antagonists of McCrea and his wife.

"Wells Fargo" is based on an original story by Stuart N. Lake.

2,050 AIRPLANES BY 1941 IS AIM OF NAVY BUREAU

Goal Is Increased After Ship-building Program Is Announced

WASHINGTON, January 20.—The navy's Aeronautics Bureau has set an objective of 2,050 airplanes by 1941, compared with an earlier goal of 1,910.

Rear Admiral A. B. Cook, chief of the bureau, disclosed the number of aircraft now considered necessary to accompany the current ship construction program at hearings on the navy appropriation bill, made public today.

He said, however, the new objective "has not yet had the approval of the navy department."

The aviation program, the admiral said, calls for 1,921 planes in the next fiscal year, but reductions in funds approved by the budget bureau are expected to result in having 1,870 available or awaiting delivery on July 1, 1939.

The budget estimates, he said, provide for replacement of 284 reg-

B. U. students who attended were Dexter McCastle, Bowen Royall, Hershel Graves, Tom Rogers, Ed McDowell, and Bill Norton. Dr. Elden W. Stone of this city, acted as toastmaster.

ular navy and naval reserve airplanes and for 35 to increase the naval air force.

Cook testified that the \$28,860,000 provided for airplane purchases in the current fiscal year would buy only 320 planes, whereas it had been estimated the funds would be sufficient for 397. He said airplane costs generally had gone up.

He supplied figures showing the navy had 1,002 planes last October 31.

GARLIC AND ROSES

caught and apprehended by stooge No. XO.

Speaking of villains, why speak about them, shoot them. Walter Wright K.O.-ed Julia Sledge in one of the hill hangouts recently. We didn't say anything about it for fear that it was an accident but they were at it again the other night after the basketball game in the same jernt. Sledge was the winnah. When interviewed Wright said he was trying to revive interest in cave men but we suggest "Say It With Flowers."

Sympathy—And heart-felt consolations goes out to Tony Janis. Dorine Hawkes has went South and permanently at that. Too bad Jan that ruins a good paragraph in some future column. But you should get the inside on the farewell party, it would make a nice drammer.

Pat Tanner was also left waiting recently. His gal, Lena Gose, took the easiest way out (of the dormitory) and eloped and to make bad matters worse it was with her hometown boy friend. Pat is free at least and that's no small item.

Our friend Freeman Corothers has been having some emotional disturbance lately. Virginia Logan

furnished the stimulus so we hear. Seems that Freeman wanted to either end it all or be off of women for life. He continued existence for a few hours and then what happened? They were back in the swing. Love's like that though.

John Brown, the man of books and no women, finally broke down and gave the feds a break. He was seen in the library talking to two of them and standing up between them too. The time spent in this fashion was one hour and twenty-nine minutes. John said when interrogated that they were relatives but we think different as one of them is named Elizabeth Druman and the other Ellen Corum. Better wait till after exams John.

Janet Rutan is also one of these gazers-at-a-musician. The victim is none other than "Doc" Chinowith, and the whole band had to halt for a few minutes the other night to allow "Doc" to talk to Janet. Girls you are positively wrecking these bands.

And that stooge again—Last week he brought in what was termed hot news and now this week he wants to apologize. The roses and apologies go to a couple of Madisonville gals who were incensed at a paragraph in this column last week.

We saw this with our own eyes—Dick Cannon is an adult, he is smoking a pipe and in public too. Must say that it adds sophistication and the final touch would be a moustache.

Private detective wanted—Send information and references to Joe Smith. He wants the voice of the mysterious caller traced. Says he's never been in love but if he can find the owner of that voice those days will be gone forever.

Also wanted—Chaperone—Dale Grabel and his "hectic harem" which is a girls orchestra are going to Liechfield tomorrow night and Dale is a little leary about that many girls.

Orvell Lascoe the former Robert Taylor of the Hill, bit on that age old gag. Someone called him under the disguise of the express office and told him there was a box for him there, telling him to call a certain number for further information. He did and it turned out to be an undertaker which added to his chagrin greatly.

Pitching woo—Frank Smith and

"Pinky" Schrader with Lucille Brooks and a girl whose name is Ruth somebody. Wish "Pinky" would introduce his friends or use all of their names so it could be heard.

Eavline Spears is starting a football team at least she has two already on her line up. She alternates dates with Sterling Meecham and Mitchel Land. Yours truly is taking bets on the winner and is merely guess work with us too.

We told you a joke last time which we refrain from doing here but if you have any good ones Ray Smith is collecting them to tell to his girl friend. Seems that his line is failing or maybe he wants to be the life of the party. Better skip that idea Ray we tried that one time and look at us.

Pete Trimpton, the cat king, announces that his latest brain-

storm is to start a cat farm in order to supply the university and college labs with experimental cats. Trimpton is willing to wager that at the end of six months he will be riding in a Packard.

Leave it to a Hoosier to make bumb jokes. The latest Indian quib is this: quote, "One of my legs is getting shorter than the other from running around Western Campus."

Song of the week: "Bel Mer Bist Du Schean."

Dance of the year, the Alpha Sigma Vince Genovese affair—its reported that it'll be unique. Love—

Why has Mabel Tuggle, a resident of Potter and Cadiz, turned her attention to B. U.? She says she will take a commercial course sometime. Is it on account of a certain B. U. boy? Must be love!
